## Celebrating 46 years of Marriage

**Ephesians 5:25-26**

**Husbands, love your wives,  
even as Christ also loved the church,  
and gave himself for it;  
That he might sanctify and cleanse it  
with the washing of water by the word,**

Today, June 14<sup>th</sup>, my wife and I are celebrating 46 years of marriage. Looking back, would I do it again? Without any hesitation. My only regret is that we are unlikely to have another 46 years together. Where have the years gone?

**I have seen some really bad attitudes by men who think of themselves as “conservative Christians” who think that the Scriptures have given them the title of Despot of the home and the wife is his slave girl. How far from the truth. This thinking comes from the Devil not the Lord.**

**These men know the verses about wives being subject to and obeying their husbands but they do not pay much attention to what the Scriptures command for them.**

**Men we are to love our wives with the greatest love possible. The same type of overwhelming love that Christ has exhibited for us. He GAVE.**

**Many husbands resent giving. In this modern crazy day and age husbands expect wives to pull their own weight and then some but the Bible tells us that the husband is to unselfishly give. To give his wife love, attention, provision, good gifts and provide for her as best that he can.**

**I wish that every marriage could be as happy as mine but then there is only 1 Wendy and I have her and am not letting her go.**

**What a blessing it is to have a good wife and preach the gospel in this life. Thank you Lord.**
